

# FINALS PRESENTATION (MP, BIKINI, FIGURE, FITNESS)

**Presentation Class Competitors** will be introduced by the Master of Ceremonies for their individual presentation to music that we provide for each class.

As each Competitor enters the Stage their first posing point is marked with an X. It is far right hand side of the stage as shown in drawing. (Every Bikini & Figure Competitors will receive a Tiara at the 1<sup>st</sup> X) As the Competitor walks on from the first X back toward center stage X#2, the Masters of Ceremonies will be reading the introduction, finishing the bio as the Competitors is posing at center stage X#2. As the Competitor sets up their pose at center X#2 the next Competitor in line will be walking across the stage to X#1, passing behind the Competitor who is posing at X#2. The Competitor at X#2 will then walk to the backstage line.

*\*PLEASE KEEP YOUR BIO INFORMATION SHORT. THIS IS A LARGE SHOW WITH MANY ATHLETES PRESENTING AND DOING ROUTINES. WE WANT TO ALWAYS HAVE ALL COMPETITORS PRESENT OR DO THEIR ROUTINE. PLEASE BE RESPECTFUL AND UNDERSTANDING OF ALL THE ATHLETES. KEEP YOUR POSING STOPS SHORT (1001, 1002, 1003) SO WE MAY BE TIMELY IN OUR FINALS SHOW. WE WANT TO CONTINUE EACH YEAR WITH ALL OF OUR COMPETITORS HAVING THE COURTESY OF INDIVIDUAL PRESENTATIONS & ROUTINES. THANK YOU.*

The class will re-build on the back stage line. A Top 7 will be called forward in no particular order to mid-line. Competitors will wait on the back line for the placing's announcements for the Top 7 for awards. 7th, 6th, 5th, 4th, 3rd, 2nd and 1st. Those not hearing their name announced please exit out the center stage back exit.

The Top 7 listen up for their placing and move forward to that corresponding # for your award. After all Trophies have been awarded, please close in closer together and bring your award with you to set on the floor in front of you. This will make a nice photograph of your class, complete with Trophies.

Thank you
