

## May 20 2017 - 20th Anniversary Event!

*It's the Muscles, the Beauty, the Beach!*

*Chinook Winds Casino Showroom, Lincoln City OR!*

**Dear Competitor training for or considering competing in the 2017 NPC Pacific Coast "Battle at the Beach" Championship,**

*We continue to strive for ways to improve our events and in NPC Oregon! We are proud of the culmination of years of development that have produced "Martin Solutions" computer software that NPC Oregon has been using the past several years. This Competitor Check in system and Oregon NPC Judges scoring system has allowed us to score on R.K. Smith's Lap top computers with instant results.* The paperwork needed by a promoter for their Finals event is now completed as each class exits the judging stage!

**Improvements we implemented in 2016 worked out fantastic and we will continue.** As we reach for improvements, adding or updating to new technology, new décor, new designs on space and more efficiency in producing and expediting our events we always have a learning curve and are never without risk they won't be better as we had hoped or could have glitches to correct on the road to making things better. We continue to stretch ourselves in striving for improvements. We are proud and pleased to say **that everything implemented in 2016 assisted our event in positives ways!**

If you have not attended our event or competed in it in the last year, these 2016 changes included a **new style of Showroom seating**, providing more comfort of bigger softer chairs with easy access in and out to visit the landing area cocktail/soda bars and chat with friends.

The **new Stage LED flood Lighting** looked "hot" without feeling "hot" to the Competitors on stage.

**National Anthem singer!** We have a lovely young lady from our own Nestucca High School where Ron teaches and she did a beautiful job and she will be back for 2017. By the way **give Morgan Kirkpatrick an extra big hand as she will also be the Valedictorian of her Graduating Class of 2017!**

**The new 6000 sq. foot Competitors Pump/Prep lounge on the second floor of the Casino worked out fantastic.**

The new Prep Lounge provided so much space for the Competitors to rest, get pumped and get prepared for competition. We also **provided a big screen** to keep track of the showroom progress.

### **COOL THINGS ABOUT COMPETING IN THE NPC PACIFIC COAST BATTLE AT THE BEACH IN LINCOLN CITY, OR:**

**THE 3 ARE NOT ONLY OUTSANDING IFBB  
PRO'S, BUT MOST IMPORTANT THEY ARE  
ALL WONDERFUL & HUMBLE PEOPLE!**

**THE BEACH :O)**

We will have limited Vendors on the showroom landing for 2017. These will include our Presenting Sponsor. We are PUMPED to announce that Patrick Miller's WARHAMMER will be in the house with a nice display of the clothing that EVERYONE IS TALKING ABOUT! Please patronize Warhammer, we are grateful that they are so generous to be our 2017 Presenting Sponsor! Space is very limited and is being allowed for preferred Vendors who are also major event Sponsors; PureBulk Nutrition and Max Muscle Nutrition.

**ALL THE ABOVE IS RETURNING FOR 2017!** Improving upon the above, we will have a **new very nice extra Large Video Screen** that is a permanently installed in the **Competitor Lounge**. Much better viewing for the Competitors.

With our 20th Anniversary we wanted to do more for our Competitors and we are! **Each Competitor will receive a 20th anniversary gym bag and goodies will be inside. You can count on Purebulk! A huge thank you to Roger and Dorothy Clay for being so supportive to supply the 2017 Competitors goodies!**

With class size getting larger and with so many outstanding Competitors **we are awarding more class trophies!** Top 5's have been the norm for awards at these type of events. We wanted to go beyond and reward 2 more places per class. **Now rather than a Top 5, you will see our Trophy Team bringing awards to a Top 7 Competitors!** Those awards are **really pretty Glass Art Trophies**, that really look gorgeous year after year on your bookshelf, even in your living room. **If you get tired in 20 years of looking at the placing tag on the trophy, turn it around, now you have just a pretty glass piece of art :o)**

**We award Tiara's to EVERY Bikini, Figure and Fitness Competitor upon their presentation at the Finals. If you are double entered, you will be presented a Tiara on stage twice!** Each Competitor in those divisions receives a Tiara at their first X (stop) in the stage presentation, so when you hit center stage you are shining.

**2017 Overall Champions are each receiving a custom designed, hand blown beach float Trophy.** They are beautiful! They also receive an embroidered **OVERALL CHAMPIONS GYM BAG** and an **FRESH ORCHID LEI** flown in from the Hawaiian Islands.

**GUEST POSERS INCLUDE; IFBB Bodybuilding Pro's: Steve Frazier from Texas, Mark Sindayen from WA state and IFBB Fitness Pro Viko Newman.** All outstanding performers, ambassadors for this sport and each a phenomenal human being! We are honored to have each of them!

**Much is happening and planned for a great show!** If you are currently prepping we thank you for your sacrifice and the hard work that you will be putting in to be part of this special 2017 event.

**If you have not chosen your contest for 2017, please consider this fun show! Put this Competitor badge on for the time of your life!**
